Unrequited love

by [MiaQc](#)

Summary

Microfic from Nik's point of view. I have a crush on Alana and her friend Jenny.

- A translation of [Amour non réciproque](#) by [MiaQc](#)

I have a crush on Alana and her friend Jenny. If only I had known they were dating. When I found out the truth, it broke my heart. I don't want to find love anymore. I don't see the purpose of it. Yet Jenny encourages me to look for my "soul mate." Wow, like there is such a thing. Alana is also kind to me and she remains a great friend. PJ, Alana's personal AI, as well.
